16. ENTIRE AGREEMENT. This EULA (including any addendum or amendment to this EULA which is included with the HP Product) is the entire agreement between you and HP relating to the HP Anyware Software Product, and this EULA supersedes all prior or contemporaneous oral or written communications, proposals, and representations with respect to the HP Anyware Software Product or any other subject matter covered by this EULA. To the extent the terms of any HP policies or programs for support services conflict with the terms of this EULA, the terms of this EULA shall control.
